My appetite failed, and when I did eat, under a sort of compulsion. I had great pain after it. I went on in this way until the spring of 1888, when I had a very severe attack, and was treated in Bartholomew's Hospital for some time, But I came out still weak, and a little later on I was so had I broke down completely, and took to my bed. "The first doctor who came to see me was not able to give any relief, and my people fetched another, us my condition had become alarming. I got worse, and was in great agony. I had pains all over me, but more particularly in the bowels, where the pain was intense. The bowels were stopped or constipated, and the doctor seemed puzzled. One day he said, I cannot account for your condition. I now began to think what was best to be done. Yet what could I do? "I had heard of a medicine called Mother as a Special Resolution :-Seigel's Curative Syrup, which was said to be a most remarkable ours for deep-seated and chronic complaints where all other remedies were unavailing, but I had nover tried it, and why should I believe in it? I decided to risk it, and sent over to Mr. Dyor, the chemist, in Acre Lane, West Brixton. and got a bottle, and in ten minutes after taking the first does I fell relief "In my excitement and satisfaction I declared,

This is the right thing ! "After taking six bottles I found myself in perfect health. I am a new man. I never was in better health in my life, and all the members of my family think of my cure as all the more wonderful owing to my having suffered with liver complaint from my infancy. I will gladly answer any inquiries about Mother Seigel's Syrup, and what it did for me." (Signed) W Goldspink, 126, Acre Lane, Brixton, and 19,

Tachbrook Street, Pimlico. Mr. Goldspink is a pork butcher, and is well known and highly respected. In addition to his inherited weakness of the liver he suffered from deep-seated indignation and dyspepsia, with an acute attack of constipution, a dangerous and often fatal complication. For this almost universal malady—often mistaken for other diseases-Seigel's Syrup is the only remedy to be relied upon.
